

G69 MOUNT
EXTENDED LIGHT WEIGHT FIXED NIGHT VISION GOGGLE MOUNT

COLORS: ■ -B ■ -T
(BLACK/TAN)

PRODUCT OVERVIEW

The Wilcox G69 helmet mount and shroud with lanyard is a permanently fixed solution that securely locks the NVG onto any helmet drilled with a standard three-hole configuration. The G69 mount provides all the same features as the G66 with greater weight savings and extended vertical travel adjustment.

NVG/THERMAL COMPATIBILITY

- AN/PVS-15 • AN/PVS-18 • AN/PVS-31 / BNVD
- GPNVG-18 (DOVETAIL) • AN/PSQ-36 FGS (DOVETAIL)

**Other NVG/THERMAL devices are compatible but require additional accessories. Please call customer service for more information.*
