## PRODUCT OVERVIEW

Wilcox’s Line of NVG Helmet Shrouds provide multiple options for mounting a shroud to various style helmets with no and one-hole patterns as well as a Ratchet Strap Mount for helmets without holes drilled. They are designed to provide a solid mounting platform for Wilcox’s L4 Line of NVG Mounts.

## FEATURES AND BENEFITS

- Lightweight and low profile on the helmet
- One-Hole Shroud and Strap Mount feature a front hook for stability
- Available with or without Wilcox’s NVG Lanyard
- Constructed of Aerospace Grade Metal and Polymer
- Strap Mount utilizes a ratchet cinching system for tightening onto the helmet
- 5 Year Standard Limited Warranty
